The Iowa DOT is pleased to announce the launch of its new web site, located at:

<http://www.iowadot.gov/recovery/index.htm>

This site provides a centralized location for information related to the American Recovery and Reinvestment Act of 2009 (Recovery Act) and its implementation in Iowa. If your agency will receive Recovery funds, please review this web site carefully, especially the "Local governments" section. This section includes copies of all guidance provided by the Iowa DOT to-date and links to other resources.

If you have questions about a specific Recovery Act project being developed by your agency, please contact the appropriate Iowa DOT administering office.
